Project No. 070406

Sale Date - 8/15/2007

Question Submitted: 7/25/2007

Question Number: 1

The project has a final completion date of 10/31/2007. The plans note an interim completion date of 30 days prior to the final completion date. The interim date would be 10/1/2007. With the project letting date of 8/15/07. The amount of time to complete work is very short. We request that the interim completion date be eliminated.
