Prebid Questions

Project No. 100394

Sale Date - 6/3/2010

Question Submitted: 6/1/2010

Question Number: 1

The completion date as stated, 9/13/10, may be unattainable because of pole and luminaire lead times being longer due to all of the stimulus projects awarded this year. Please extend the completion date one additional month to 10/14/10.

The completion date will remain unchanged.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
