Prebid Questions

Project No. 100293

Sale Date - 5/20/2010

Question Submitted: 5/14/2010

Question Number: 1

Sign # 7-S & 8-S on plan page 14 are included as part of the total square footage for bid reference # 21, Sign Flat Sheet. However, these have their own pay item, which is bid reference # 22, Sign, Double Faced, Street Name. Will an addendum be issued correcting the square foot required for bid reference # 21 to a total of 22 square feet.

see addendum

Question Submitted: 5/14/2010

Question Number: 2

Bid reference # 41 does not specify that LEDs are required for the pedestrian signals. Is it correct that this item is to be supplied as incandescent or will an addendum be issued to require LEDs?

see addendum

Question Submitted: 5/17/2010

Question Number: 3

The typical section and Bid Quantities indicate placement of an aggregate and asphalt base. There are no items set up for excavation and/or pavement removal. Can a pay item be added for this work?

Answer: The excavation for this project is to be included under Item 603 and 604. The conduits that are required on this project will require the removal of the needed dirt to install the pavement, thus no excavation item is needed.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
