Prebid Questions

Project No. 091124

Sale Date - 12/17/2009

Question Submitted: 12/10/2009

Question Number: 1

Proposal Note 530 is missing from the proposal. Reference 0018 - Surface Course Type 1H has a bid quantity of 632.00 cubic yards which exceeds the 500 cubic yard minimum per line item. Will PN 530 be added? Please advise

Proposal Note 530 specifies a minimum of 1000 CY, not 500 CY as stated in the question. Therefore, Proposal Note 530 will not be added.

Question Submitted: 12/13/2009

Question Number: 2

On the general summary sheet (page 16 of plans) it states that the breakdown of the 630 items will be provided on pages 6, 7, & 9 of plans. I cannot find any breakdown of signs that are to be provided. Please provide.

The quantities for the 630 Items are actually carried from plan sheets 11 & 12, not from sheets 6, 7, & 9 as shown on the General Summary. The total quantities shown on the General Summary sheet are correct. We will calculate and provide the quantity breakdown for sheets 11 & 12.

Question Submitted: 12/9/2009

Question Number: 3

Plan page 2, the second paragraph on the left hand side states planing shall be covered by chip seal within 72 hours. There is no pay item for chip seal. Please clarify.

See addendum

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
