Question Submitted: 5/25/2010

Question Number: 3

SS 842 is listed on the title page under the Supplemental Specifications section. I cannot find any quantities or other information regarding number of locations for the use of High Density Polyurethane (SS842) for approach and departure slabs. Where in the plans would I find this information?

**The Title sheet does not contain a Supplemental Spec for 842. No addenda is required.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
