Prebid Questions

Project No. 102003

Sale Date - 6/25/2010

Question Submitted: 6/8/2010

Question Number: 1

Could the department furnish names of approved pre-manufactured building suppliers? Thanks.

ODOT does not have a specific list of approved pre-manufactured building suppliers. The designer is researching what manufacture/s the design may have been based. This information will be posted into the pre-bid questions area when it becomes available.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
