Prebid Questions

Project No. 091041

Sale Date - 6/10/2009

Question Submitted: 6/4/2009

Question Number: 1

Maintenance of traffic says to maintain one lane of traffic in each direction at all times. There are 2 bridges on SR321 both 24' wide that call for Type 3 Waterproofing. Please advise.

Traffic is maintained as per Std Construction drawing MT-97.10.

Question Submitted: 6/5/2009

Question Number: 2

Will two ARRA signs be sufficient for this project? Or will 4 ARRA Signs be required on this project (two on US 62 and two on SR 321)?

SR 62 is the only roadway that will require the ARRA signs. Two signs will be sufficient.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
