Prebid Questions

Project No. 080460

Sale Date - 7/9/2008

Question Submitted: 7/7/2008

Question Number: 1

1) On plan pg. 5/10 on Item 614 Maintaining Traffic, I. Notification, The second paragraph states that a solar-powered portable changeable message sign is required but there is no bid item for this.2) There is no item for Maint. Traffic (Work Site Lighting).3) There are several precast inlets that are damaged within the project limits. Are they not going to be repaired?

The PCMS is required incidental to Item 614 Maintaining Traffic. This project will be built under the 2008 CMS. The requirements for work site lighting have been incorporated into 401.15. The cost of work site lighting is incidental to the placement of asphalt concrete.No

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
