Project No. 065000

Sale Date - 1/11/2006

Question Submitted: 1/9/2006

Question Number: 1

The bid form I downloaded from your site does not have any line items for the tower, line & antenna removal or tower, line and antenna installation. Where should these costs be shown?

I see Verizon Wireless' specs have been included in the plans. Are we to bid their complete installation as well?

A1) Ref 0024 Special- Facilities, Misc: 360' Lattice Cell Tower, Complete, as described in the plan note on sheet 2/19. A2) Plan notes on plan sheets 4/19 and 5/19 provide the complete description of what is required.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
