Prebid Questions

Project No. 100298

Sale Date - 5/20/2010

Question Submitted: 5/16/2010

Question Number: 1

Plan sheet 7 includes a detail for "Grading for Type E Anchor Assembly". We believe the cost of this grading should be included in the pay items for embankment and excavation, and not in the pay item for the anchor assembly. Please verify that this interpretation is correct, to avoid a misunderstanding between any of the parties involved in the construction of this project.

The cost of the grading and volume of material is included in the embankment and excavation quantities. The note is added to clarify the grading by providing a plan view. It is not part of the anchor assembly bid.
