## Prebid Questions

Project No. 050074

Sale Date - 1/26/2005

Question Submitted: 1/18/2005

Question Number: 1

Item #102 Pedestrian Signal Heads

Are the Type D2 ped signals to have LED lenses?

Question Submitted: 1/19/2005

Question Number: 2

Ref. 36- 12" Conduit, Type C

Plan sheet 23- on the pipe summary, there is 208' run of pipe on plan shown in the summary as D-18 which is on plan sheet 38. The summary has this listed as a 12" pipe. Plan sheet 38 shows this same run of pipe as a 15" pipe. Can ODOT please review this conflict, decide what the pipe size should be, and please clarify in an addendum?

Question Submitted: 1/20/2005

Question Number: 3

Addendum #1 added a bid item for "Pavement Repair" of 25 cy. What is the purpose or use for this item ?

**The pavement repair quantity from sheet 10 was not carried to the General Summary and the Proposal.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
