Prebid Questions

Project No. 060492

Sale Date - 12/6/2006

Question Submitted: 11/13/2006

Question Number: 1

Please provide some clarify on reference 45,46,47,48 & 49. These paving items appear in the Maintenance of Traffic section. The General Summary sheet 8/38 indicates they are derived from sheet number 4, but sheet 4 doesn't provide any information on these items. Please clarify where these items are to be utilized or if they are to be used as directed by the engineer for what purpose are they to be used.

Question Submitted: 11/13/2006

Question Number: 2

This question is in reference to line item 0069 - 514E00050 Surface Preparation. Will the surface prep require recyclable steel grit or will coal slag (black beauty) or other expendable media be permitted.

Question Submitted: 11/29/2006

Question Number: 3

Per the previous questions related to the response in Add#1, reference 45, AC Base, 50CY was to have been deleted with the other items in this addendum. (See 1st question) This reference however was not removed per the addendum and is not shown or needed per the plans. Perhaps this omission was an oversight? Please confirm.

Question Submitted: 11/9/2006

Question Number: 4

ODOT project 060492, plan sheet number 8, under Maintenance of traffic. Quantities for: Asphalt Concrete Base, Aggregate Base, Tack Coat, Prime Coat, and Asphalt Concrete Surface type 1 have been listed and plan sheet number 4 is referenced for their application. No reference to the application of these quantities can be found in the plans. Is there a specific application intended for these quantities?

Thank you,
David Stager

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
