It would appear that the total's for two of the sign reference items are incorrect. Ref#32, W6 X 9 Ground Mounted support listed at 197.9 Lf.. Reefer to subsummary sheet 21/84, the total is listed at 89.3' and should be 72'.

Ref# 39, 15 Ea. sign attachment assembly, the total should be 28, the assemblies that are listed on sheet 21/84 has not been carried forward, the total for this page is 13.

Question Submitted: 10/26/2006

Question Number: 2

On October 11th I submitted two questions regarding quantity errors that I had discovered. As of this date the questions have not been answered.

This project is still shown on the Nov. 1st letting. Will these questions be addressed or are we to bid items as they appear in the notice.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
