Prebid Questions

Project No. 080302

Sale Date - 5/7/2008

Question Submitted: 4/29/2008

Question Number: 1

Bid items 62 thru 68 appear to be incorrectly added to this job. On page 21 it shows the summary for the pavement markings. There is no mention of these bid items for thermoplastic. The quantities do match the ones in the summary for paint though?

the plans and proposal are correct as shown. What you see is the standard way we set up alternate bid items.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
