Prebid Questions

Project No. 045029

Sale Date - 6/30/2004

Question Submitted: 6/22/2004

Question Number: 1

Some areas are already marked with clearing limits, R.O.W. stakes and some construction limits. Will the state be completing the remaining staking and settling issues of tree removals with homeowners?

The district and central office have reviewed your question and have determined that the bidding documents are adequately clear. No addendum will be issued. Sheet 7 of the plans addresses this under the "Clearing Limits" note: The contractor shall be responsible to identify and stake the construction limits between the right of way pins.

Question Number: 3

Per 201 Clearing/Grubbing stumps are to remain; not to be disturbed. Please confirm if correct - no stumping.

The district and central office have reviewed your question and have determined that the bidding documents are adequately clear. No addendum will be issued. Sheet 7 of the plans addresses this under the Clearing and Grubbing as per Plan note: The stumps shall not be disturbed.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
