Prebid Questions

Project No. 101059

Sale Date - 4/8/2010

Question Submitted: 3/19/2010

Question Number: 1

Reference # 0049 and # 0050, item code 625E10481. I represent Hapco Aluminum Poles, the following information is required so Hapco engineering can determine the pole load for the York structural pole. Please provide the weight and EPA of the Holophane Washington led fixture as well as the weight and EPA for the Holophane Philadelphia crossarm.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
