Prebid Questions

Project No. 040013

Sale Date - 1/7/2004

Question Submitted: 1/19/2007

Question Number: 1

This being a two part project. Part one mostly asphalt resurface and part two a bridge project. (Work typically not done by one contractor.) Plus an 8% DBE requirement. I think it will be very difficult for most contractors to perform 50% of this project. Would ODOT consider lowering this requirement?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
