Sale Date - 11/5/2008

Question Submitted: 10/3/2008

Question Number: 1

There is no quantity set up for the volume of excavation between the existing and new abutments. Is this volume included in the lump sum bid for unclassified excavation?

The bid line item 0043 Unclassified Excavation, Lump Sum covers payment for the excavation between the existing and new abutments and above the dump rock

Question Submitted: 10/3/2008

Question Number: 2

It appears that the excavation between the existing and new abutments and above the dump rock was missed. Should there be a quantity added to the excavation for this?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
