Question Number: 3

Phase C Construction

The note on plan sheet 7 states that Phase C Construction Lane Closures shall be limited to 45 CALENDAR DAYS.

The notes on plan sheets 14, 15, and 16 say that 1 way traffic can occur for a maximum of 30 DAYS.

Which closure duration is correct?

Unless clarified by addendum, we assume that the note on plan sheet 7 shall apply, allowing for 45 Calendar Days of one lane two way traffic.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
