Project No. 100227

Sale Date - 4/29/2010

Question Submitted: 4/26/2010

Question Number: 1

The completion date in the proposal is 8/31/10. This project previously bid in January with an 8/31/10 completion. Given the current late April bid date, Can the completion date be pushed back to allow for a more realistic schedule?

The completion date will not change. We believe this work will take less than two months.
