Prebid Questions

Project No. 100175

Sale Date - 4/8/2010

Question Submitted: 3/1/2010

Question Number: 1

Ref. No. 14 calls for a TC-12.30, design 8 cantilever sign structure. This same structure is also specified in the general summary. However, the sub summary and the sign detail sheet call for a TC-7.65, design 8 box truss span sign structure, which is apparently what is needed. Can you clarify?

The sub-summary and the sign detail sheet are correct. The revision has been made in addendum 1.

Question Number: 2

Addendum #1 changed ref. 15 from a TC-12.30, design 12 to a TC-7.65, design 8. I think the change should have been for ref. 14 changing a 12.30, design 8 to a 7.65, design 8. Please review and advise.

See addendum 2 for corrections."

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
