Question Number: 2

Is it the intention to re-use the excavated slip material as the embankment material? If so, what will be the method of payment if a large quantity is deemed unsuitable and additional imported material is required to bring the project to its proposed grades?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
