Question Submitted: 2/23/2009

Question Number: 2

There is no slab deck thickness shown for bridge NOB-147-1076.

Sheet 8 of 13 shows the deck thickness to be 18". on sheets 11 and 12 of 13 (superstructure details) says to see std. dwg cs-1-03 for details not shown. The deck thickness is shown to be 18" on the std. dwg. also.

Question Submitted: 2/23/2009

Question Number: 3

Can the existing bridge plans be made available online?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
