Project No. 100052

Sale Date - 1/28/2010

Question Submitted: 1/21/2010

Question Number: 1

Plan Sheets 8 of 26 and 15 of 26 show channel excavation. There are no channel cross sections and does not appear to be accounted for in the excavation quantities. What are the limits of the channel excavation and where is it paid? Thanks.

The quantity is included in the excavation shown on the cross sections.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
