Prebid Questions

Project No. 056012

Sale Date - 7/13/2005

Question Submitted: 7/6/2005

Question Number: 1

Currently the completion date for this project 9/15/05. Two suppliers, of steel beams for the 102 ea drilled shafts, indicate delivery date for the steel beams of late August, 2005. Considering this late delivery, we suggest a project completion date of 11/1/05.

Question Submitted: 7/8/2005

Question Number: 2

Two soil boring logs are included in the plans but four are shown on the drawings. Will the other boring logs be issued in an addendum?

No additional boring logs are available.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
