Prebid Questions

Project No. 100024

Sale Date - 1/14/2010

Question Submitted: 12/23/2009

Question Number: 1

Bid reference # 68 is for an AT15BB40 light pole, which would include two (2) 15' luminaire bracket arms. Bid reference # 70 has a separate pay item for two (2) 15' bracket arms which appear to be the same arms that are provided as part of bid reference # 68. Are the additional two separate brackets required or is this a duplicate item that should be eliminated?

See Addendum

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
