Prebid Questions

Project No. 050284

Sale Date - 6/8/2005

Question Submitted: 5/20/2005

Question Number: 1

1. The proposal note 121 regarding the incentive/disincentive is unclear. Is it your intent to have two locations, LIC-13-0.54 & PER-13-39.50 (Blackbird Lane), entitled to the incentive and disincentive? What is the duration of the closure? The plan notes state the duration is from Friday at 7:00 p.m. to Monday at 5:00 a.m. The proposal note states the duration is from Friday at 7:00 p.m. to Tuesday at 7:00 p.m.
2. The plans state that the detour signing will be supplied by ODOT. Does this mean that ODOT will supply the signs only and the contractor will erect them?
3. The proposal note 417 regarding asphalt mix design states all asphalt should be designed for medium traffic. The 446 Asphalt Surface Course, Type 1H, PG 76-22 is a heavy traffic mix design. Should the proposal note read medium and heavy?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
