Prebid Questions

Project No. 080257

Sale Date - 4/9/2008

Question Submitted: 3/25/2008

Question Number: 1

Reference is made to Reference No. 36, Sheet Piling Left In Place, APP. Plan note on contract drawing Number 19, requires this item to include "... furnishing and installing any anchors or attachments to the structure, as directed by the Engineer." The contract drawings do not indicate any anchors. Depending on the type and number of anchors, this work could be extensive. Please review this item and provide the number and type of anchors, if any, that are required. Thanks.

Question Submitted: 4/3/2008

Question Number: 2

ref 40-the weights for Marks A401 & D801 are incorrect. There should be an additional 497 lbs included for this Ref.#. Please verify.

Question Submitted: 4/3/2008

Question Number: 3

Ref 55 lists a 15" thick approach slab with a 20'-0" length. Typically a 15" thick approach slab is 25'-0" long. Please verify slab length and thickness.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
