Prebid Questions

Project No. 050044

Sale Date - 1/12/2005

Question Submitted: 1/5/2005

Question Number: 1

Per page 8 of 19 in the drawings, Item 614, a LEO W/ patrol car is being made mandatory to use for traffic control at the intersection of SR 225 & SR 43.

Q: SR 43 does not intersect with this project. Did ODOT intend on using a LEO for a particular intersection on this project, or is this note a misprint ?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
