Prebid Questions

Project No. 080606

Sale Date - 11/5/2008

Question Submitted: 10/3/2008

Question Number: 1

In the plans Item 251 - Partial Depth Pavement Repair states that Item 446 Asphalt Concrete, Type 1 is to be used. Is this correct?

Question Submitted: 2/21/2008

Question Number: 2

This question is regarding Addendum No. 2. The Addendum indicated that the color of ashlar stone will be selected by the project engineer. The question is regarding the application of the color. Does this job require pigmented precast panels? (i.e., Is it necessary to add the pigment to the concrete mix during the fabrication of the panel?).

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
