## Prebid Questions

Project No. 100268

Sale Date - 5/6/2010

Question Submitted: 4/19/2010

Question Number: 1

On Page 6 of 39 under item 614 - Maintaining Traffic, the length and duration of the lane closures and restrictions shall be at the approval of the engineer. Under Signal Duration, it is spelled out for the signals to be used for a maximum of 30 continuous days. What is the intended time period to do the two maintain traffic structures on SR 121? Do they both have to be done at the same time, or can each of them have 30 continuous days?

**See Addendum**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
