## Prebid Questions

Project No. 042005

Sale Date - 8/11/2004

Question Submitted: 8/10/2004

Question Number: 1

On sheets 7/27 and 10/27 the plans show a trench drain, a No. 2-2B catch basin and an oil interceptor, are these to be included in the bid and if they are what bid item should they be included with?

Question Submitted: 8/4/2004

Question Number: 2

I have a few questions on this matter. Is ODOT cutting the asphalt for their drain before the Contractor puts in the electric and the gas? Is #6 stone acceptable for backfill (gas & electric)? Is ODOT going to repair the asphalt, or do we have to replace it in our bid?

Thank you for your consideration in this matter.

Sincerely,

Herbert J. Stevenson

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
