Prebid Questions

Project No. 100064

Sale Date - 2/4/2010

Question Submitted: 2/1/2010

Question Number: 1

In reference to items 253 Pavement Repair, as per plan and Pavement Repair, Misc: Partial Depth, on page 3 of the plans, it does not clarify between the number of cubic yards that may be transverse repairs or longitudinal repairs which will affect labor, equipment and traffic control cost dependent on the type of repair. Question: Type of repair whether transverse or longitudinal and number of cubic yards allocated to the type of repairs intended.

We do not break out quantities for transverse or longitudinal repairs.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
