## Prebid Questions

Project No. 070040

Sale Date - 1/24/2007

Question Submitted:

Question Number: 1

Due to the limits of the required construction on this project, is Concrete Barrier needed along the edge of pavement? If so, how will this be paid for?

**There are no Maintenance of Traffic requirements in the plan that require the use of Concrete Barrier. There is NO Proposed Work in the plan that requires Concrete Barrier. Work Limits are outside the existing pavement and shoulders.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
