Question Submitted: 1/31/2006

Question Number: 1

The plan calls for 9" concrete base per page 6/134, is this correct? If so, a bid item needs to be added. If not, where does this work get paid?

Question Submitted: 2/8/2006

Question Number: 2

In the proposal to Project 099(06) the quantities and completion date are not listed. The letting CD contains only 45 pages. Are the quantities still part of the contract or has there been a procedural change?

The CD provided by the Depart has an error which caused some of the Proposal pages to be missing. The Proposal can be viewed on the Department's website at <ftp://ftp.dot.state.oh.us/Pub/Contracts/Misc/Addenda.htm>

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
