Prebid Questions

Project No. 040617

Sale Date - 12/1/2004

Question Submitted: 11/12/2004

Question Number: 1

Approach slab drawing AS-1-81 dated 7/19/02 is listed for the standard drawing to use for this project. Since this is a metric project, I want to confirm that the standard #5 and #10 or #16 and #32 (in metric) bars are to be used. The metric standard drawing dated 10/25/94 shows a #35 bar which means the bar needed to be upsized to a #11 (#36).

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
