Prebid Questions

Project No. 090316

Sale Date - 6/10/2009

Question Submitted: 5/28/2009

Question Number: 1

PN-417 for this project requires plant mix pavements to be of MEDIUM DESIGN. Ref. #53, 448 ASPH CONC SURFACE TYPE 1H is HEAVY DESIGN only. Please clarify?

Question Submitted: 6/1/2009

Question Number: 2

The excavation quantity, 5,173 CY, as shown in the pavement calculations on sheet 11, appears to be off by a factor of 2. The typical section shows a 6' widening on each side of the road. The calculation is based on only 1 side. Therefore, the bid quantity is short by 5,173 CY of excavation. Please clarify.

Question Submitted: 6/2/2009

Question Number: 3

Ref 55. Can you please verify the application rate for the mesh and how the tack coat is to be paid? Is the 407 tack coat incidental to the item?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
