Prebid Questions

Project No. 060387

Sale Date - 8/9/2006

Question Submitted: 7/24/2006

Question Number: 1

It appears that the item for Rigid Sign Foundation, 1 each, is missing from the proposal. The sign identified as Number 3 is being moved from the bridge (ref no. 7) to a new TC 12.30 support(ref no. 3).

Since it appears that traffic will have to be stopped to remove and reerect certain overhead signs, could an item be added for Law Enforcement Officer w/Car or should we include those costs in Maintenance of Traffic?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
