Prebid Questions

Project No. 101027

Sale Date - 2/25/2010

Question Submitted: 2/21/2010

Question Number: 1

The ARRA sign is bid as a Conventional Road Sign, but plan notes call out the 120" sign, which would be the expressway size ARRA sign. Since the bid item is for conventional road sign we presume that the 84" sign is acceptable on this project.

Please bid the plan as shown. The sign will be installed as per the note in the plans.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
