

Ohio Department of Transportation

Prebid Questions

Project No. 070263

Sale Date - 5/16/2007

Question Submitted: 5/3/2007

Question Number: 1

Please consider changing the percentage of work required to be completed by the prime contractor to 40% due to the variety of types of work that will require multiple subcontractors, and no single large dollar value or dominant type of work.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.

Prebid Questions

Project No. 070108

Sale Date - 2/28/2007

Question Submitted: 2/1/2007

Question Number: 1

Please consider changing the percentage of work required to be completed by the prime contractor due to the make-up of the work that will require multiple subs for a smaller size project and no dominant type of work.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
