Prebid Questions

Project No. 050303

Sale Date - 5/11/2005

Question Submitted: 5/3/2005

Question Number: 1

There are several planting areas with small trees that appear to have just been planted that may be damaged during construction. Will there be an item to replace these trees? Can you temporarily relocate? Is this to be included in the bid item for wall replacement? Please clarify.

The small trees shall be handled per sheet 10, section IV F - "Landscaping damaged during work shall be restored to the condition which it was before work began."

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
