Prebid Questions

Project No. 070488

Sale Date - 10/24/2007

Question Submitted: 10/23/2007

Question Number: 1

Could the Department please provide the current pavement composition (ie thickness, kind)for both the mainline, shoulders and ramps on this project?The typical sections on page 2 of 27, does not denote the thickness of the existing asphalt overlay or thickness of the concrete pavement for the mainline, nor does it provide any information on the asphalt shoulders.With the amount of repairs set up in the plans this information would be greatly benefical.

Question Submitted: 10/23/2007

Question Number: 2

Bid item number 53 Portable Changeable Message Sign, As Per Plan: there is a plan note on page 6 of 27 stating " The Contractor shall furnish, install, maintain, and remove when no longer needed, 2 portable changeable message signs (PCMS), on site, for the duration of time specified in this note" : Will the per month unit price cover each board or will a months payment be (2 PCMS) equal one months payment?

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
