## Prebid Questions

Project No. 101015

Sale Date - 2/25/2010

Question Submitted: 1/29/2010

Question Number: 1

Reference bid item 0033 Light Pole and Pull Box Removed and Reset. Question: Please provide information on where the reset pole is to go in relationship to its current location, i.e. from Station to Station and / or from offset to offset. Question: is the existing foundation to be removed and if so per 625.21 C?

**A 1 THE RESET POLE IS TO BE RESET AT THE EXISTING LOCATION. A 2 Yes**

Question Submitted: 2/17/2010

Question Number: 2

Will any details be provided for the new foundation for resetting the existing light pole?

**See addendum.**

Question Submitted: 2/17/2010

Question Number: 3

Can any more information be provided for the modular block wall? It appears from the cross sections that the wall is a radius with a taper. Perhaps a frontal view?

**There is no additional information available.**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
