## Prebid Questions

Project No. 090279

Sale Date - 5/13/2009

Question Submitted: 5/4/2009

Question Number: 1

Please answer the following questions:1) The General Notes indicate that powered equipment is not to be used from 7:30pm-7:30am. The MOT Notes say from 7pm-7am. Which time frame is correct?2) The MOT Notes about CH-112 do not provide the dates of or the length of the detour, nor the date for when traffic has to be back in operation. Please provide.3) Please confirm the new rim elevation of the manhole. It appears the rim is being lowered but the road is being raised.4) There are indications on sheet 13 and 38 that fencing is to be removed, but there are no bid items carried to the General Summary for fence removal. Does the State's Highway Contractor remove the fence, and if so, where should costs for fence removal be located in the bid?

Can ODOT post the existing structure drawings online.

**Plan sheet 22, note existing structure verification, states, " there are no existing bridge plans available".**

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
