Prebid Questions

Project No. 050304

Sale Date - 5/11/2005

Question Submitted: 4/18/2005

Question Number: 1

I visited the site. Sheet 5 of the plans shows the traffic in the curb lane, next to the guardrail. That is where the repair work is to be done.

Plan sheet 11, field painting note says "all paint damaged by the collision and/or the repair efforts shall be cleaned and painted". Please confirm it is not the intention of the plans to clean and repaint the entire beam for the entire length of the damage.

Thanks for your help.
