Question Submitted: 7/7/2008

Question Number: 1

Did not see SLE for Center Line qty. Is Center Line all double yellow.

The bid item in the plans is for miles of centerline pavement marking, not quantity of material or equivalent centerline miles. The district does not supply this information in the plans. There is adequate information for the contractor to bid the item

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
