Prebid Questions

Project No. 100133

Sale Date - 3/11/2010

Question Submitted: 2/27/2010

Question Number: 1

Regarding Struc. HOC-180-1649-Structure File # 3700380. Can the department verify the sealing details for this bridge? The plan shows to seal both parapet walls front and back on this bridge, whereas there is only 110 sy of sealing set up for this. Can the department verify if there is a miscalculation in the quantity of this sealing item?

See forthcoming addendum for quantity change.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
