The text in the flowchart for Proposal Note 109 is scrambled. Where can I find the correct flowchart?

All of the information is contained in the proposal note. If you'd like to see the flowchart you can find it on our website at: <http://www.dot.state.oh.us/drrc>. Go to the proposal notes section. It is Proposal Note 109, 2005 spec book.

Page 5 of 11, right hand column, Pavement Planing, Asphalt Concrete.

Note states "planing shall be scheduled so as to be covered by the surface course with one week after being performed."

This is a two course paving project, is the designers intent for this note to read intermediate course?

Please advise. Thank you
