

Ohio Department of Transportation Prebid Questions

Project No. 050305

Sale Date - 5/25/2005

Question Submitted: 5/6/2005

Question Number: 1

Page 2 of plans - right hand column - pavement planing

Note states planing shall be covered by intermediate course within 48 hours after being performed. Note this project does not include an intermediate course. It does call for a stress absorbing membrane interlayer (SAMI) and a surface course.

Is the designers intent for the SAMI course to be placed within 48 hours or the surface course?

Please advise.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
