Prebid Questions

Project No. 066005

Sale Date - 3/22/2006

Question Submitted: 3/20/2006

Question Number: 1

Maintenance of Traffic is unclear. General Notes have concrete barrier and work zone impact attenuators set up but plans do not show designated location for temporary traffic lights. Please clarify this if you can.

Thank you,
Joe DiBello
Project Manager

Concrete barrier and impact attenuators are as directed by the engineer, if and when needed. There is no need for temp traffic signals.

All prospective bidders, subcontractors, suppliers, materialmen and all others who have an interest in these prebid questions and answers are advised that these items are being provided for informational purposes only and are not part of the bidding documents. If a question warrants a clarification, the Department will issue an addenda addressing the request for clarification to all plan holders. If the Department believes that the bidding documents adequately address the request, the contractor will be advised accordingly.
